About Valentino Group

Valentino Gress began its journey in 1989 under Toko Cahya Harapan, originally operating as a distributor of ceramic tiles from various brands. Over the years, it evolved into a principal brand specializing in homogeneous and porcelain tiles, now operating under PT Cahya Lestari Permai Abadi.

What sets Valentino Gress apart is its dedication to curating only the finest materials from trusted factory partners both domestically and internationally. Through a rigorous selection process, the brand ensures every tile meets the highest quality standards, bringing elegance and durability to spaces across Indonesia.

Valentino Gress is not only focused on delivering exceptional products but also prioritizes outstanding customer service. By seamlessly combining superior product quality with reliable service, the brand builds trust and long-term relationships with its customers.

Vision

To be the leading and most reliable supplier of homogeneous and porcelain tiles in Indonesia.

Mission

Valentino Gress is committed to building long-term relationships with customers across Indonesia by consistently delivering the finest quality products and services.

About Valentino Gress

Valentino Group Brand

700+

Design Choices

Valentino Group is a leading provider of premium cladding materials, specializing in high-quality surfaces that blend design, durability, and innovation. With a commitment to elevating architectural and interior spaces, Valentino Group offer a diverse range of solutions tailored for modern living.

Metamorphic stone

Sintered Stone

Granite

9 Large Sizes

More Sizes More Versatile

Valentino Gress adapts seamlessly to any size, application, and space, making it the perfect choice for all types of projects. With no limitations in large-format sintered stone, it redefines possibilities—going beyond traditional formats to bring avant-garde designs to life.

ADVANCE DECORATIVE SURFACE

Polished

Glaze Polished

A surface that captures and reflects light with a mirror-like shine, creating an air of luxury and sophistication. Perfect for those who seek a bold statement with a high-gloss, polished aesthetic that enhances the depth and richness of any space.

Diamans Surface

The latest surface innovation by Valentino Group — inspired by the strength and brilliance of a diamond.

Not just glossy. Not just tough. DIAMANS is scratch-defiant, life-proof, and built to shine without compromise. DIAMANS up to 2.400 cycle. DIAMANS+ up to 6.000 cycle comes in satin.

From busy homes to bold commercial spaces, it stands flawless — beauty that's made to endure.

Matt

Soft, warm, and eternally elegant, this finish offers a muted, diffused look that minimizes reflections, bringing out the natural depth of the material. A perfect balance between modern simplicity and classic charm, ensuring your space remains effortlessly stylish.

Matt Texture

Designed for the modern, industrial aesthetic, Urban Matte delivers a sleek, contemporary feel with a fine-textured, non-reflective surface. Ideal for urban-inspired interiors that demand a bold yet understated look.

Matt

Matt Fusion

Where craftsmanship meets imagination. At first glance, it is a matte surface. But as light shifts and your hand glides across, a subtle play of textures awakens. Debossed reliefs sink gently into the surface while delicate embossed veins rise in contrast—together creating a harmony of depth and detail. It is more than a finish; it's a tactile narrative where every ridge and groove whispers of fusion between art and material, precision and touch.

Satin & Satin Diamans+

Satin & Satin Diamans+
Satin - Where touch becomes part of the design story. The satin-smooth finish invites your fingertips while resisting smudges and fingerprints — delivering effortless elegance that stays pristine.

Satin Diamans+ goes further: satin beauty, engineered for the real world. Proven to endure up to 6,000 abrasive cycles, it balances tactile comfort with commercial-grade durability.

Matt Rustic

Textured with a rawness that tells stories of the earth, Matt Rustic carries that essence. It is rougher to the touch than Matt Lite, a surface that embraces imperfection as part of its charm—allowing you to experience its natural grain in its pure, unfiltered state, like walking on nature itself.

Matt Carving

A bold mix of gloss and matte, creating dynamic contrasts that enhance textures and patterns. This finish offers the best of both worlds—the depth and richness of gloss with the softness of matte, making it a versatile choice for those who appreciate unique, artistic designs.

Elevate Your Space with

VALENTIN  GROUP

Proven Legacy
Over 30 years of craftsmanship, trust, and innovation.

Industry Pioneer
A principal brand redefining design and quality.

Reliable Supply
Guaranteed stock availability for seamless projects.

Beyond Standards
Rigorous checks ensure perfection in every tile.

Seamless Shading
Perfectly coordinated tones for a refined look.

Sustainable Choice
Eco-friendly materials for a greener future.

Certified Excellence
SNI & ISO 9001:2008 quality assurance.

ADVANTAGES

TRUE VEIN TECHNOLOGY

Imagine cutting through a slab of natural marble—every layer reveals the same elegant veins, flowing seamlessly through its core. That's True Vein. Unlike ordinary sintered stone that only looks real on the surface, Valentino's veins run deep, just like nature intended.

Authentic. Enduring. Unmatched.

Technical Characteristic

ISO 13006	TEST METHOD	REQUIREMENT	VALENTIN
Length and width admitted deviation, in %, of the average size of each piece from the production dimensions	ISO 10545-2	± 0,60 %	Pass
Admitted deviation, in %, of the average thickness of each piece from the production dimensions	ISO 10545-2	± 5%	Pass
Maximum straightness deviation, in %, in relation to the corresponding production dimensions	ISO 10545-2	± 0,5 %	Pass
Maximum right-angle deviation, in %, in relation to the corresponding production dimensions	ISO 10545-2	± 0,5 %	Pass
Flatness (Curving in the middle, corner and warping)	ISO 10545-2	± 0,5 %	Pass
Surface quality	ISO 10545-2	At least 95% of the pieces must be free from visible flaws	Conforming
% Water absorption	ISO 10545-3	< 0,5 %	Pass
Breaking strength in N	ISO 10545-4	≥ 1.300	Pass
Flexural strength test (MOR) in Kg/cm2	ISO 10545-4	≥ 350	Pass
Resistance to abrasion of glazed pieces	ISO 10545-7	See manufacturer's declaration	Class III-V
Thermal shocks resistance	ISO 10545-9	Requested	Resistant
Glaze crazing resistance	ISO 10545-11	Requested	Resistant
Frost resistance	ISO 10545-12		Resistant
Resistance to low concentrations of acids and alkalis	ISO 10545-13	See manufacturer's declaration	GLB
Resistance to domestic chemical products and additives for swimming pools	ISO 10545-13	Class B min	GA
Resistance to staining	ISO 10545-14	Available testing method	Class III
Release of hazardous substances	ISO 10545-15	Declare value for GL surfaces used on worktops	Absent
